EARTH SCIENCE STUDY ABROAD PROGRAMMES

## STUDENT DECLARATION

In order to participate in a Frontiers Abroad Programme, students must be accepted into the University of Canterbury. To simplify the process and reduce paper use, this application also serves as the application to the University of Canterbury. Your completed application will be copied and presented to the University of Canterbury. Frontiers Abroad will notify you with the result of your application in a timely manner. Upon acceptance into a Frontiers Abroad Programme, we will provide you with an additional Declaration form specific to the University of Canterbury.

**I agree to the above and authorize Frontiers Abroad to copy and present all materials contained within this application and attached documents to the University of Canterbury, and interact and exchange information with my applicant and home university as appropriate throughout the application and enrolment processes and semester of study. I declare that all the information submitted on this application form and in the attached documents is correct and complete. I acknowledge that if I provide incorrect or incomplete information this may result in the cancellation of my offer and/or my enrolment. I am aware of the tuition, fees and living costs associated with my programme of study and I am able to meet all expenses for the duration of my study. I understand that if I am unable to meet these costs, Frontiers Abroad or the university I am attending will not be obligated to provide additional funding to cover my costs.**
